Excellency,

Assalaam Alaikum wa Rahmatullah wa Barakatuha

I have been greatly disturbed to hear of reports reaching us of the inhumane attacks on our Muslim brother Biharis which took place at Mirpur on 4 October, resulting in loss of life, multiple injuries, loss and damage of property and widespread havoc.

We have been informed by usually very reliable sources that the local police did nothing to prevent this horror, which has exacerbated the already deeply tragic situation of the Biharis.

I should be grateful for your explanation of how such a thing could have happened and to know what steps your government is taking to prevent any recurrence .

I should be grateful if you would inform your government of our concern.

Yours sincerely,

Salem Azzam

Secretary General
